

HUMAN SOCIETY & ITS ENVIRONMENT

Our Human Society and Its Environment (HSIE) department prides itself on its quality teaching and learning initiatives and in offering students a contemporary and engaging curriculum which prepares them for their futures in a rapidly changing world.

The HSIE department delivers both History and Geography curriculum to all students in Years 7 to 10, and offers elective History and Geography courses in Years 9 and 10 as well. In the senior school, courses currently delivered include; Ancient History, Business Studies, Economics, Geography, Legal Studies, Modern History and Extension History. In addition, the school has a vocational education course in Business Services and Retail Services.

Our experienced and talented staff look forward to the opportunity to support students as they work to achieve their personal best.
