

RELIGIOUS DIMENSION OF THE COLLEGE

The Mission Statement of Aquinas Catholic College proclaims the religious dimension of the College:

OUR MISSION STATEMENT IN PRACTICE:

Curriculum:

The Religious Education curriculum is centred around five key areas: God, Religion and Life; Scripture and Jesus; Church and Community; Morality and Justice; Prayer, Liturgy and Sacraments and is based on the Sydney Archdiocesan Religious Education curriculum.

Prayer and Liturgy:

Students are given regular opportunities to participate in the liturgical and prayer life of the College in communion with the wider church. Many opportunities exist for a strengthening of the links between the College and the Parish of Holy Family.

Retreats and Reflection Days:

Throughout their years at Aquinas Catholic College students are given regular opportunities to step outside the ordinary and reflect on their relationship with God, themselves and others.

Social Justice:

Students have the opportunity to be involved in a variety of activities throughout the year committed to both education and action in the local and global communities.
