

PEER SUPPORT

What is the Peer Support Program?

- The Peer Support Program provides students with the understandings, attitudes and skills they need to realise their potential and contribute positively to school and society.
- At Aquinas Catholic College, a group of selected Year 10 Leaders meet with a Year 7 group, once a week, during Term 1 to work through a series of discussions and activities.

What are the benefits?

- Year 7 students develop friendships with Year 10 students.
- It makes the transition into secondary school easier for the Year 7 students.
- Year 10 students become role models for younger students while developing organisational and leadership skills.
- Builds the self esteem of both Year 7 and Year 10 students.
- Promotes acceptance and cooperation across the school community.
