

# HUMAN SOCIETY AND ITS ENVIRONMENT

Our Human Society and Its Environment (HSIE) department prides itself on its quality teaching and learning initiatives and in offering students a contemporary and engaging curriculum which prepares them for their futures in a rapidly changing world.

The HSIE department delivers both History and Geography curriculum to all students in Years 7 to 10, and offers elective History and Geography courses in Years 9 and 10 as well. In the senior school, courses currently delivered include; Ancient History, Business Studies, Economics, Geography, Legal Studies, Modern History and Extension History. In addition, the College has a vocational education course (VET) in Business Services Retail Services and Work Studies.

Our experienced and talented staff look forward to the opportunity to support students as they work to achieve their personal best.
