Zscaler Root CA

Signed by Zscaler Root CA
Verified ✓

Contains Certificate

More Details >

Delete Profile

You **must** download and install the Zscaler root certificate for your system.

Please click on the appropriate link below to install the Zscaler certificate and then click on accept to continue.

[Install Certificate for Windows operating systems](#)

[Certificate for all other operating systems](#)

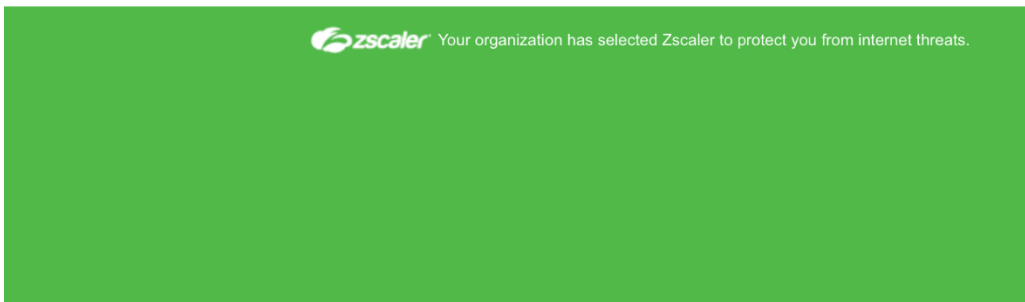

If you have a mobile device please scan the QR code to the right.

If you have already installed the certificate

click "[I Accept](#)" button below

I Accept

Make sure students install the certificate in iPad.

Make sure students to see the last screen every morning at school.

Make sure students to click "I Accept" to grant access to internet at school.
